THE PORCELAIN OF TOMORROW – SINCE 1881

Global market leader sounds good – friends around the world, even better

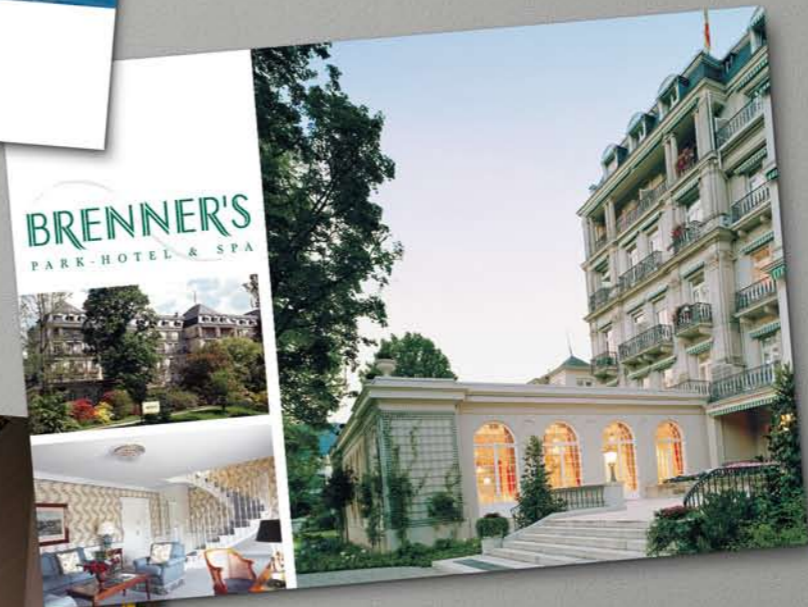

New York City brought good fortune to August and Conrad Bauscher. From there, the first Bauscher branch abroad, they conquered the world. Today, Bauscher has distributors in more than 50 countries and the company exports about half of its output to more than 120 countries. Up to 120,000 items leave Weiden on any given day for destinations around the globe. This success speaks for itself, and Bauscher is indeed the world market leader. But our customers' confidence in us over the years pays us an even greater compliment – whether from classic Café Sacher in Vienna or Dubai's stunning Burj Al Arab luxury hotel. Often, out of years of close cooperation something more than a trusted relationship has grown: an inspiring friendship.
